Germany's Final Decision Now In The Making

Teutonic Statesmen Are Weakening on That Never Sign Stuff

PARIS—Noon Thursday—The eyes of the world are focused on Weimar today where one of the most momentous decisions in all history is in the making. The German delegates, cabinet and national assembly are gathered in Weimar debating whether it shall be peace or war.

BERLIN—Commenting on the Allied reply to Germany's counter proposals the Frankfort Gazette, one of the greatest newspapers in the German empire, says: "Whatever we do will be terrible. Germany is in no position to refuse to sign the treaty when its signature is forced upon her by an ultimatum. Let us resign ourselves to the inevitable and hope for better in the future."

WEIMAR—Representatives seem pretty evenly divided on the question of peace or continued war. However, some of those who have heretofore opposed the treaty are showing signs of weakening, and it is believed that in the end those who favor peace will be slightly in the majority.

PARIS—General Foch plans that in the event the Germans refuse to sign the treaty, to provide for a rapid contraction of the iron ring with the consequent overrunning of Germany from three sides.

BERLIN—It is now the tendency of Germany to criticize America for the situation she now finds herself in rather than Great Britain or France.

COBLENZ—Concentration of troops preparatory to advancing further into Germany if the Germans refuse to sign peace terms, began today throughout all the occupied area. Orders to this effect were received yesterday from Foch who sent similar orders to all Allied forces on German soil. General Liggett, commander of American forces in Coblenz said they were ready to move.

WEIMAR—Indignation increasing and the sentiment of the cabinet, several of whose members remained up all night reading document, is strongly against signing the Allied treaty; but the prospect of an Allied invasion, an economic blockade, Bolshevism and a food shortage, obviously having an influence here. While the signing by the present government is regarded as impossible, nevertheless all signs point to Germany ultimately affixing her signature.

LONDON—The British Grand fleet is taking up positions looking to a blockade of Germany's ports.

PARIS—The Allied and British Navy are prepared to move simultaneously upon Germany if she refuses to sign the peace treaty.

WASHINGTON—The Mexican government considers the crossing of American troops to Mexican territory a closed incident, said a statement today by General Aguilar, President Carranza's confidential ambassador.

NICHOLAS NUSSBAUMER RETURNS FROM OEVRSEAS

The arrival of the Admiral Evans Tuesday morning was an occasion for much rejoicing in Wrangell. Nicholas Nussbaumer was aboard, returning from overseas where he has been in the service of his country for the past 18 months.

When Mr. Nussbaumer left Wrangell in October, 1917, almost everyone in town was at the boat to say goodbye, although the hour was midnight. When he returned those same friends were standing on the dock eager to greet him as he came down the gang plank.

Mr. Nussbaumer has returned to us looking as well as when he took his leave, but everything has not been well with him at all times since his departure. He has gone through many hardships. He has been wounded and has been in the hospital several times from sickness. But he never gave up, and now that the war is over he returns to private life with a record of having made good in the service of his country.

Mr. Nussbaumer says that while he saw many things overseas that were of such a nature as to stir one's feelings, that he had no single experience that got closer to him than meeting his brother and father in Switzerland whom he had not seen in 18 years. Mr. Nussbaumer's brother is a captain in the Swiss army.

Mr. Nussbaumer was a resident of Wrangell for eight years prior to his enlistment, and no man in Wrangell had more friends than he.

A composite of all the nice things that have been said to him since his return would probably read something like this: "Most joyfully do we welcome you back. May the days as well as the years ahead of you ever keep fresh in your memory the appreciation and pride which mere words alone cannot express."

American Federation of Labor Is Against General Strike July 4

ATLANTIC CITY—The convention of the American Federation of Labor adopted a resolution denying recognition of the Soviet of Russia, also one refusing to endorse the general strike on July 4, as a protest against the imprisonment of Mahoney and the executive council was instructed to work for a new trial.

Carranza Silent

MEXICO CITY—President Carranza declined to make any comment on American forces invading Mexico.

President Wilson in Belgium

ADINKERKE, BELGIUM—President and Mrs. Wilson arrived here from Paris yesterday morning. They were met by King Albert and Queen Elizabeth. They left in a motor for a trip over the Belgian front.

Canadian Soldiers Attack Police Station in England

LONDON—Unrest among Canadian soldiers in England, because of the continued postponing of homeward sailing culminated last night in an attack by 400 Canadians on the Epsom police station. Several policemen were wounded, one seriously.

PARIS—The Poles and Czechoslovaks will join the Allies in throwing an iron ring around Germany in case she chooses war rather than peace, according to authoritative information received here today.

Gov. Riggs Will Speak In Wrangell On Fourth

Cablegram to That Effect Is Received in Wrangell With Much Enthusiasm

[Cablegram]

Juneau, Alaska, June 12, 1919.

J. W. Pritchett, Wrangell.

Accept with pleasure invitation of citizens of Wrangell to deliver address on July Fourth, providing boat schedules will not occasion too great an absence from headquarters.

RIGGS, Governor.

The above cablegram speaks for itself, and is the best news Wrangell has had for a long time. It is an honor to the people of Wrangell that the Governor of Alaska has accepted their invitation to deliver the address of the day on the Fourth of July.

The celebration of Independence Day in Wrangell this year promises to eclipse all former celebrations. The various committees have been busy since their appointment, and the news of the Governor's coming has given added impetus to the work of preparation. The printing committee have sent invitations and posters to all the towns of the West Coast, extending a most cordial invitation to every person on Prince of Wales Island.

A complete list of the prizes offered by the street sports committee will be published in the Sentinel before the Fourth.

The executive committee have called for a meeting of all the committees at the Town hall at 7:30 sharp on Friday evening, June 20.

GOVERNOR OF WASHINGTON PASSES AWAY

SEATTLE—Ernest Lister, the twenty-second governor of Washington, since she was organized as a territory, died this morning in the Swedish hospital at Seattle. He had been ill for months.

Governor Lister was a democrat. During his illness Lieutenant Governor Hart, republican, has been acting governor. The lieutenant governor will now succeed to the governorship.

Sawyer Taken to Juneau

B. R. Sawyer was taken to Juneau Tuesday by Deputy U. S. Marshal H. J. Wallace. Sawyer was in jail here awaiting action of the grand jury, and was transferred to Juneau by order of United States Marshal J. M. Tanner.

NEW COURT HOUSE AND JAIL FOR WRANGELL

(Juneau Dispatch)

Friday the thirteenth, was a lucky day for the town of Wrangell. Donald Sinclair, a prominent Wrangell merchant, was advised Friday by Judge Jennings that the department had allowed Wrangell a new \$6,000 jail and court house.

Mr. Sinclair took word of the new building on his return to Wrangell. He said to the Dispatch that for that amount a very substantial building could be erected to accommodate the U. S. commissioner, deputy marshal and jail, as the Government owned an excellent site. The present building in use at Wrangell is an old log affair which was originally used as an old trading post by the Hudson Bay company.

In Honor of Returned Soldiers

Mr. and Mrs. T. J. Case were host and hostess at a delightful dance which they gave Tuesday evening in Redmen's hall in honor of their son, Oscar Case, and Nicholas Nussbaumer and all other returned soldiers and sailors of Wrangell.

Mr. and Mrs. Case left nothing undone that would contribute to an evening of pleasure and joyousness which will long be remembered by each one present.

Excellent music was furnished by the North Star Orchestra and by Fred Choquette accompanied by Miss Ruth Lindman.

The decorations were unusually attractive and, most appropriately, were in our national colors. During the evening delicious refreshments were served buffet style.

Thomas Dalgity had a big share in making the evening a success, by the happy manner in which he discharged his duty as floor manager.

ARUNDELL RESIGNS FROM LAND OFFICE

C. R. Arundell, chief of the Alaska Field Division of the General Land Office, has resigned his position at Juneau, and will go to Portland, Oregon according to mail reports from Juneau.

Mr. Arundell came to Alaska from Portland three years ago and has been in charge of the activities of the Field Division in the Territory since that time. Among his other duties he has been townsite trustee of the towns of Haines, Douglas, Wrangell and Petersburg in southeastern Alaska and has been the channel through which title has passed to the various occupants in these towns.

Mr. Arundell will engage in the trial of certain public land cases now pending in Oregon. His family left Juneau late in March and are now making their home in Portland.

No formal announcement has yet been made as to who will be his successor.

A Gitney Proposition

Councilman Thomas Dalgity is in receipt of a letter from Alexander Lee of Seattle inquiring what he thought of the opportunity for a jitney bus in Wrangell as a business proposition. Mr. Dalgity replied that the people of Wrangell would welcome a jitney, and no doubt have a lot of fun out of it, but that he felt some hesitation in recommending it as a paying proposition.

The Fido club, as well as several other picnicking parties, spent Sunday afternoon on the beach near the cemetery.

Gov. Riggs Sends a German Helmet to Mrs. John G. Grant

Office of Governor Juneau

June 2, 1919.

Mrs. J. G. Grant, Wrangell, Dear Madam:

I have this day forwarded to you a German helmet which has been awarded to you for services performed in securing subscriptions to the Victory Loan.

I trust that this helmet reaches you in due course, and that you will appreciate the receipt thereof as much as I appreciate your splendid work in helping to put Alaska "over the top" once more in service for our Government.

Very truly yours, THOMAS RIGGS, JR., Governor.

New Industry for Klawock

C. Chlopek and A. McCue are installing an up-to-date Vulcan Cold Storage and Sharp Freezing Plant at Klawock. The plant will be completed and ready for operation about September 1st.

Halibut boats and trollers may be outfitted with gear as well as furnished with provisions, ice, fuel, oil and bail. The plant will continue operations during the winter months and will be known as the Klawock Fish & Cold Storage company.

CHILKOOT CANNERY IS TOTAL LOSS

One of the heaviest losses in cannery fires was recorded during the week at Chilkoot, where the Alaska Pacific Fisheries plant burned, with the exception of white and Oriental bank houses, store and dwelling houses. The fire took the cannery plant, cans, fishing gear, and everything connected with the main buildings.

—Dispatch.

Bishop P. T. Rowe was a passenger on the Jefferson Friday en route to the interior. He will spend the Fourth of July at Fort Yukon participating in the celebration there. At Fort Yukon he will take the launch owned by the Episcopal Mission Board and go down the Yukon to St. Michael visiting the missions along the way. At Nulato he will take a side trip up the Koyukuk.

CLYDE CAGLE BACK IN ALASKAN WATERS

Captain Clyde Cagle, a Wrangell boy who will be remembered as a skipper of the Kachoon Packing company's Galaxy went below last year and secured an unlimited second mate's license for any ocean. He then sailed for the U. S. Shipping Board during the emergency period when there was a shortage of officers. He is now skipper of the tug Hero which is towing the Olympic Fisheries Floating Cannery to Icy Straits.

Captain Cagle's many friends are hoping that something will take him out of his course and bring him into Wrangell for even a brief visit.

Capt. L. W. Blodgett, for the past eight years captain of the U. S. Forestry Service boat Tahn was in Wrangell last week on business connected with the Forestry Service. He returned to Ketchikan on the City of Seattle Saturday night.

ERNEST P. WALKER WILL MOVE OFFICE TO CAPITAL CITY

Juneau will be the headquarters for the Bureau of Fisheries operations after July 1. On Friday Inspector Walker rented the Goldstein house, next to the Deanery of the Episcopal Church on Gold street, for a combined office and living quarters.

The boat Osprey will be transferred to Juneau about the first of July, so as to be in readiness to speedily investigate any reported violation of the fishery laws.

Inspector Walker informs the Dispatch he has had under consideration transferring the office from Wrangell to Juneau for several months, and when orders came this week to transfer he rather welcomed it. He says Wrangell is an ideal place in which to live but his office had to be in close touch with the other Government offices. —Dispatch.

PORT OF PRINCE RUPERT TIED UP

Several large halibut boats unloaded their fish in Ketchikan yesterday, some of them having come from Prince Rupert where they were unable to sell their catches owing to the general strike now in force in that city. One boat reported that on the floor of the Goldsboro Prince Rupert there were upward of 150,000 pounds of fish which the storage was unable to care for as all its men were out on strike.

Prince Rupert boats that arrived here yesterday to discharge their catches included the Speculator with 12,000 pounds of halibut, the Nuba with 10,500 pounds, and the Christopher with 7,200 pounds. They had sold the fish to the New England Fish company, at Prince Rupert, for 10 and 5 cents a pound, according to H. Nixon, agent of the Deep Sea Fishermen's Union, of Ketchikan.

The American halibut boat, Nome Eagle, arrived in Ketchikan today with 35,000 pounds of fish.

The halibut boats Constance and Atlas left here for the banks yesterday.

The Ketchikan mild curers, the Pacific Mild Cure company, which is operating at the New England Fish company and H. R. Thompson at the Ketchikan Cold Storage company report that the run of king salmon during the past month has been of exceptionally fine quality, the salmon running to an extra large average. They state they are very well pleased with the pack so far. Present indications are that the run of kings in the immediate vicinity of Ketchikan will be over inside of a couple of weeks, when the packers will move to West Coast points.

It is reported that quite a number of the traps are hung and ready for fishing in anticipation of an early run. It is to be hoped that the canners will have a good season as they have prepared for their pack at a tremendous expense and are taking great risks in expectation of the usual good run of fish in this district, and their success means added prosperity for Ketchikan. —Times.

Arrive from Portland

Mrs. F. S. Barnes and children Carl and Alma arrived on the Jefferson Friday morning from Portland. They were met by Mr. Barnes who took them to their home at Lake Bay.

Serious Trouble Feared

Serious trouble is anticipated
before the month is out on account
of alleged pirating on fixed fishing
gear in the Juneau district. Al-
ready reports reach Juneau that
trap watchmen have been held up
and the traps robbed of the early
run of king salmon.

One report arrives that an orga-
nized crowd of fish pirates have been
operating in connection with a li-
censed seining boat. The smaller
boats are alleged to do the actual
robbing of the traps and run to
friendly shelter where the salmon
is transferred to the seining boat,
and then marketed as an honest
product.

Nearly every packer in Chatham
Straits has had an experience with
trap robbers. In some instances
watchmen have been intimidated
into allowing the traps to be lifted.

During the past week several
men in Juneau were engaged as
special watchmen. These men
have a reputation as men who will
stand for no intimidation, and have
been assured they have a right to
protect their employers' property
with force of arms, if necessary.
If an attempt is made to rob traps
under care of these men there are
bound to be serious results.

Up to yesterday the pack had
been light in the Juneau district.
Taku cannery was probably lead-
ing on account of the run of kings
from the Taku.—Dispatch.

Salvage Work on Sophia

Work of salvaging the wrecked
Canadian steamship Sophia will
be undertaken by the United
States Government, according to
Edward Smith, a deep sea diver,
who, as an employee of the fed-
eral authorities passed through
Ketchikan a few days ago on his
way to the scene of the recent
marine disaster.

Mr. Smith said that the Canadi-
an Pacific Railway, the owner of
the Sophia, had relinquished the
vessel, together with the earnings
of her last voyage, to the United
States Government. These earn-
ings, it is declared amount to
\$8,000. The United States Gov-
ernment will bear the expense of
salvaging the ship.—Times.

Most striking instances of gallantry for which the Distinguished Service Cross has been awarded

The blood of every loyal American will be stirred by the little stories of conspicuous bravery on the part of American soldiers in France that are printed below. These are only a few of thousands of cases of unusual gallantry that won for Pershing's fighters the Distinguished Service Cross. These cases have been picked out by General Pershing's staff as among the most notable of the thousands that are now a part of the official record of the American expeditionary forces.

GEORGE S. ROBB,

First Lieutenant, 369th Infantry.

For conspicuous gallantry, beyond the call of duty, near Sechart, France, September 29 and 30, Lieut. Robb was awarded the Distinguished Service Cross. While leading his platoon in the assault on Sechart, Lieut. Robb was severely wounded by machine gun fire, but rather than go to the rear for proper treatment, he remained with his platoon, until ordered to the dressing station by his commanding officer. Returning within forty-five minutes, he remained on duty throughout the entire night, inspecting his lines and establishing outposts. Early the next morning he was again wounded, once again displaying remarkable devotion to duty by remaining in command of his platoon. Later the same day a bursting shell added two more wounds, the same shell killing his commanding officer and two officers of his company. He then assumed command of his company, and organized its position in the trenches. Displaying wonderful courage and tenacity at the critical times, he was the only officer of his battalion who advanced beyond the town and by clearing machine gun and sniping posts, contributed largely to the aid of his battalion in holding their objective. His example of bravery and fortitude and his eagerness to continue with his mission despite severe wounds, set before the enlisted men of his command a most wonderful standard of morale and self-sacrifice. Lieut. Robb's home address is 308 South Twelfth street, Salina, Kan., where his mother lives.

ANDREW B. LYNCH,

Second Lieutenant, 110th Infantry.

Lieutenant Lynch was awarded the Distinguished Service Cross for unusual bravery in action near Apremont, France, September 29, 1918. Lieutenant Lynch while a sergeant on duty with a 37 mm. gun section of his company was moving the guns to a more advantageous position when he learned that the officer in charge of the party had been captured by an enemy patrol. Organizing a group of five men, Lieutenant Lynch immediately attacked the Germans, killed 15 of them and liberated the officer. Immediately afterward Lieutenant Lynch took command of 75 men and launched a counter-attack on the enemy, driving him back for more than a kilometer. Lieutenant Lynch is married, his wife living at 2446 Franklin street, Philadelphia, Pa.

FRANK GAFFNEY,

Private, First Class, Company G, 108th Infantry.

Private Gaffney earned his Distinguished Service Cross by conspicuous gallantry in action near Ronssoy, France, September 29, 1918. Private Gaffney, an automatic rifleman, pushed forward alone with his gun, after all the other members of his squad had been killed, discovered several Germans placing a heavy machine gun in position. He killed the crew, captured the gun, bombed several dugouts and, after killing four more of the enemy with his pistol, held the position until reinforcements came up, when eighty prisoners were captured. His home is in Lockport, N. Y., and his father is Wilber Gaffney, Chapel street.

JOHN J. FARRELL,

Private, Company B, 354th Infantry.

Private Farrell (deceased) was decorated for conspicuous gallantry in action near Reunonville, France, November 1, 1918. When the combat group of which he was a member was held up by machine gun fire of the enemy, Private Farrell left the group. Crawling around to the flank of the nest he charged with his bayonet. The enemy surrendered and his comrades took the gun, after which the advance continued. Private Farrell was so seriously wounded during the combat that he died before he could be removed from the field. Paterson, N. J., was his home.

JAMES I. MESTROVITCH,

Sergeant, Company C, 11th Infantry.

Sergt. Mestrovitch (deceased) decorated for exceptional bravery in saving the life of his company commander at Flomette, France, August 10, 1918. Seeing his captain lying wounded thirty yards in front of the line, after his company had withdrawn to a sheltered

position behind a stone wall, Sergt. Mestrovitch voluntarily left cover and crawled through heavy machine gun and shell fire to where the officer lay. Sergt. Mestrovitch took the officer upon his back and crawled back to a place of safety, where he administered first aid treatment, his exceptional heroism saving the officer's life. Sergt. Mestrovitch's home was in Fresno, Cal.

ARTHUR F. BRANDT,

Corporal, Co. E, 168th Infantry.

Corporal Brandt, whose home was with his mother, Mrs. W. F. Brandt at Postville, Iowa, won the Distinguished Service Cross for conspicuous bravery in action northeast of Verdun, France, October 16, 1918. After his company had been in action three days, during the attack on the Cote de Chailion and was to be relieved, Corporal Brandt volunteered to guide the company to a position of security in the rear which he had selected. While the relief was being made under shell fire, this soldier and four others were severely wounded by a bursting shell. Realizing that his wound would prove fatal, Corporal Brandt while being carried on a stretcher indicated the route to be taken by the company, being wounded in the face and scarcely able to talk. Through his extraordinary fortitude and will power, the company was able to reach its position over difficult terrain and under enemy fire. Corporal Brandt died from his wounds the next day.

REIDER WAALER,

Sergeant, Company A, 105th Machine Gun Battalion.

Sergeant Waaler was decorated for conspicuous gallantry in action near Ronssoy, France, September 27, 1918. Sergeant Waaler, in the face of heavy artillery and machine gun fire, crawled forward to a burning British tank, in which some of the crew were imprisoned, and succeeded in rescuing two men. Although the tank was then burning fiercely and contained ammunition which was likely to explode at any time, this soldier immediately returned to the tank and entering it, made a search for the other occupants, remaining until he satisfied himself that there were no living men in the tank. His home address is Noretrand, Norway.

WILLIE SANDLIN,

Sergeant, Company A, 132nd Infantry.

Sergeant Sandlin was decorated for conspicuous gallantry in action at Bois De Forges, France, September 26, 1918. Sergeant Sandlin showed conspicuous gallantry in action at Bois De Forges on September 26, by advancing alone directly on a machine gun nest which was holding up the line with its fire. He killed the crew with a grenade and enabled the line to advance. Later in the day Sergeant Sandlin attacked alone and put out of action two other machine gun nests, setting a splendid example of bravery and coolness to his men. His brother, Johnnie Sandlin, lives in Hayden, Kentucky.

ARCHIE A. PECK,

Private, Company A, 307th Infantry.

Private Peck was decorated for conspicuous gallantry and intrepidity above and beyond the call of duty in the Argonne forest, France, October 6, 1918. While engaged with two other soldiers on patrol duty, Private Peck and his comrades were wounded. Returning to his company, he obtained another soldier to accompany him, to assist in bringing in the wounded. His assistant was killed in the exploit but Private Peck continued on, twice returning and safely bringing in both men, being under terrific machine gun fire during the entire journey. His home is in Hornell, N. Y.

CHARLES D. BARGER,

Private, First Class, Company L, 354th Infantry.

Private Barger was awarded the Distinguished Service Cross for conspicuous gallantry in action near Bois de Bantheville, France, October 31, 1918. Learning that two daylight patrols had been caught out in No Man's Land and were unable to return, Private Barger and another stretcher bearer, upon their own initiative, made two trips 500 yards beyond our lines, under constant machine gun fire, and rescued two officers. His uncle, Henry S. McFeron, lives in Stott City, Miss.

WALTER S. SEVALIA,

Corporal, Co. F, 7th Engineers.

Corporal Sevalia was decorated for extraordinary heroism in action near Breuille, France, November 3, 1918. Corporal Sevalia swam the Meuse river with a cable for a pontoon bridge, under direct machine gun fire. Later he carried a cable for another bridge over the Est canal, across an open field covered by enemy machine guns. Here he was wounded by a machine gun bullet, but returned carrying a message of great importance. Corporal Sevalia's home is in Brule, Wis.

ALPHEUS E. STEWART,

Private, Company G, 107th Infantry.

Private Stewart received the Distinguished War Cross in recognition of unusual gallantry in action near Ronssoy, France, September 29, 1918. Regarding a severe wound in the head, Private Stewart fearlessly advanced toward an enemy machine gun nest and put it out of action with a grenade a few seconds before he was killed by fire from another machine gun nest near by. His home was in Jordanon, Tex.

God Gave You Health. Thank Him For It. Go to Church.

OME people never think of God until a loved one is ill or a great trouble besets them. Then they seek the SOLACE OF RELIGION. A clergyman is called in, and prayers are said at the bedside for the loved one's recovery. God is MERCIFUL, and oftentimes these prayers are answered, and the loved one recovers.

IT IS NOT FAIR TO GOD, HOWEVER, TO ASK HIM TO REMEMBER YOU WHEN YOU HAVE FORGOTTEN HIM. WHEN EVERYTHING IS GOING ALONG SMOOTHLY AND THE WORLD LOOKS BRIGHT SOME MEN FORGET THERE IS A GOD. THEY

NEVER GO TO CHURCH. WHILE THEY WILL RESENT THE CHARGE THAT THEY WOULD OPENLY OFFEND GOD, THEY OFFEND HIM DEEPLY BY NOT GOING TO CHURCH. THE SUCCESSFUL MAN SHOULD GO TO CHURCH TO THANK GOD FOR HIS WORLDLY GIFTS. THE SUPREME BEING GAVE HIM ALL HE HAS—LIFE, HEALTH, HAPPINESS—AND HE SHOULD THANK HIM FOR THEM.

Thanks to the GO TO CHURCH movement, there has been a religious awakening over the land. RELIGION NEVER WAS DEAD. All that it required was a stimulus, and that stimulus was provided by the GO TO CHURCH campaign. There isn't an argument that can be advanced by any man who believes in God in favor of staying away from church. Take away the churches and you will have a condition bordering on anarchy.

The man who GOES TO CHURCH is prepared to MEET ANY CRISIS, moral, physical or financial. His faith in a Supreme Being sustains him in the most severe trials.

The Declaration of Independence

Its meaning and its ideals. No paper has ever been issued that has caused more discussion than the Declaration of Independence. Are men all equal? In what sense are they equal? How can they be made equal? This is the theme at St. Philip's Church Sunday evening, June 22. Did the Jacobins of French the Revolution; do their successors, the Bolsneviki, realize this ideal? Where do they fail? Why are they more than dangerous to the realization of a perfect liberty?

Remember the time and place. St. Philip's Church, Sunday, June 22, at 7:30 p. m.

The Gleam is the name of a weekly paper recently started by Mrs. H. H. McEvoy. It deals chiefly with local matters which are handled in a pithy manner. The Gleam is also more or less suggestive of the free lance as every once in awhile one comes across an item that has a "kick" to it. We welcome the new paper to our exchange table and hope that it will continue to gleam.
